

COME MENTOR WITH US!

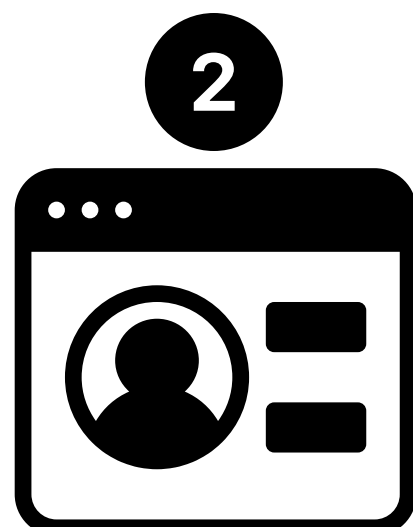

Join the Symbiotic STEM mentor network to empower underrepresented students through academic support and real exposure to the incredible diversity of STEM careers.

Make a difference without a big time commitment

- Improve representation + inclusion in STEM for high school students.
- Volunteer for short (<1 hr) individual events throughout the year.

1
Fill out the mentor
recruitment questionnaire

2
We turn questionnaire responses into
a database for teachers + mentors

3
Wait for an email to
mentor (<1 hr events)
